ABOUT ME

I am Pranjal Garg from Bathinda, Punjab, currently pursuing Computer Science and Engineering at IIIT Hyderabad, having earned my place here through JEE. I am deeply passionate and always eager to explore new dimensions of life, which drives me to enthusiastically learn diverse skills. For me, hard work and the sense of self-satisfaction it brings are my primary focus.

INTERESTS

In my free time, I enjoy engaging in fun and productive activities that not only challenge my mind and enhance my IQ but also keep me physically active. Dancing is my favorite pastime, and I love participating in events and showcasing my talent whenever I can.
